

Tools of the Participant Portal: Review Reports

About Technical Review

- The aim is to assess the work carried out for a project
- Two types of technical reviews :
 - Periodic regular / Foreseen in the GA, usually linked to payment
 - Requested during the course of the project / Unforeseen in the GA, can be linked to financial and technical aspects, but also to technical aspects only
- Performed by Reviewers (external experts)
- Two kinds of reports :
 - Individual
 - Consolidated (by the Rapporteur)

Technical Review: Contents

- Overall assessment
- Objectives and workplan
- Resources
- Implementation of the project
- Use and dissemination of foreground
- Other issues (ethics, policy/regulatory-related, safety, gender)

WHAT'S NEW

Participant Portal V3.1.1 (07/2011)

- The Participant Portal has become the European Commission's single authoritative website for the **publication of FP7 calls**. The FP7 call-related information is no longer published on CORDIS. Users of the 'Find a call' section on CORDIS are redirected to the relevant pages of the 'FP7 Calls' section of the Participant Portal.
- Additional services such as RSS feeds, deep linking and e-mail notifications are also provided and users are requested to sign up for these services on the Participant Portal

QUICK LINKS

PROJECT LIST FOR JOHNNY CADDY

If you are a LEAR of your organisation, please visit the tab My Organisations and follow the link "View projects" to have the list of projects linked to your organisation. A LEAR can only view projects their organisation is linked with. Granting access to projects is done separately.

Please visit the [user manual](#) for roles nominations details

Review Report (2/2)

Deliverables (excluding the periodic and final reports)

Please list all the deliverables due in this reporting period, as indicated in Annex I of the Grant Agreement. Deliverables that are of a nature other than written "reports", such as "prototypes", "demonstrators" or "others", should also be accompanied by a short report, so that the European Commission has a record of their existence. If a deliverable has been cancelled or regrouped with another one, please indicate this in the column "Comments". If a new deliverable is proposed, please indicate this in the column "Comments". This table is cumulative, that is, it should always show all deliverables from the beginning of the project.

Del. no.	Deliverable name	WP no.	Reviewed Yes/No		Status	Remark
2	XXXXXXXXXX		*	<input checked="" type="radio"/> Yes <input type="radio"/> No	Reject	Comment
3	XXXXXXXXXX		*	<input type="radio"/> Yes <input checked="" type="radio"/> No		
4	XXXXXXXXXX		*	<input checked="" type="radio"/> Yes <input type="radio"/> No	Accept	
1	XXXXXXXXXX	1	*	<input checked="" type="radio"/> Yes <input type="radio"/> No	Accept	

The Reviewer then submits the Report to the Commission.
