

DOWN TO EARTH – FUTURE INTERNET IN EUREKA CLUSTERS

Irina Slosar – EUREKA Office in FFG
01.07.2007

The Eurostars Programme is powered by
EUREKA and the European Community

AGENDA

CELTIC
Telecommunication Solutions

- What is CELTIC?
- How does it function?
- How to get involved?
- All benefits of celtic!

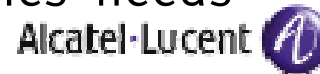

UNTERSTÜTZT VON DER REPUBLIK ÖSTERREICH UND DER WIRTSCHAFTSKAMMER ÖSTERREICH
SUPPORTED BY THE REPUBLIC OF AUSTRIA AND THE AUSTRIAN FEDERAL ECONOMIC CHAMBER

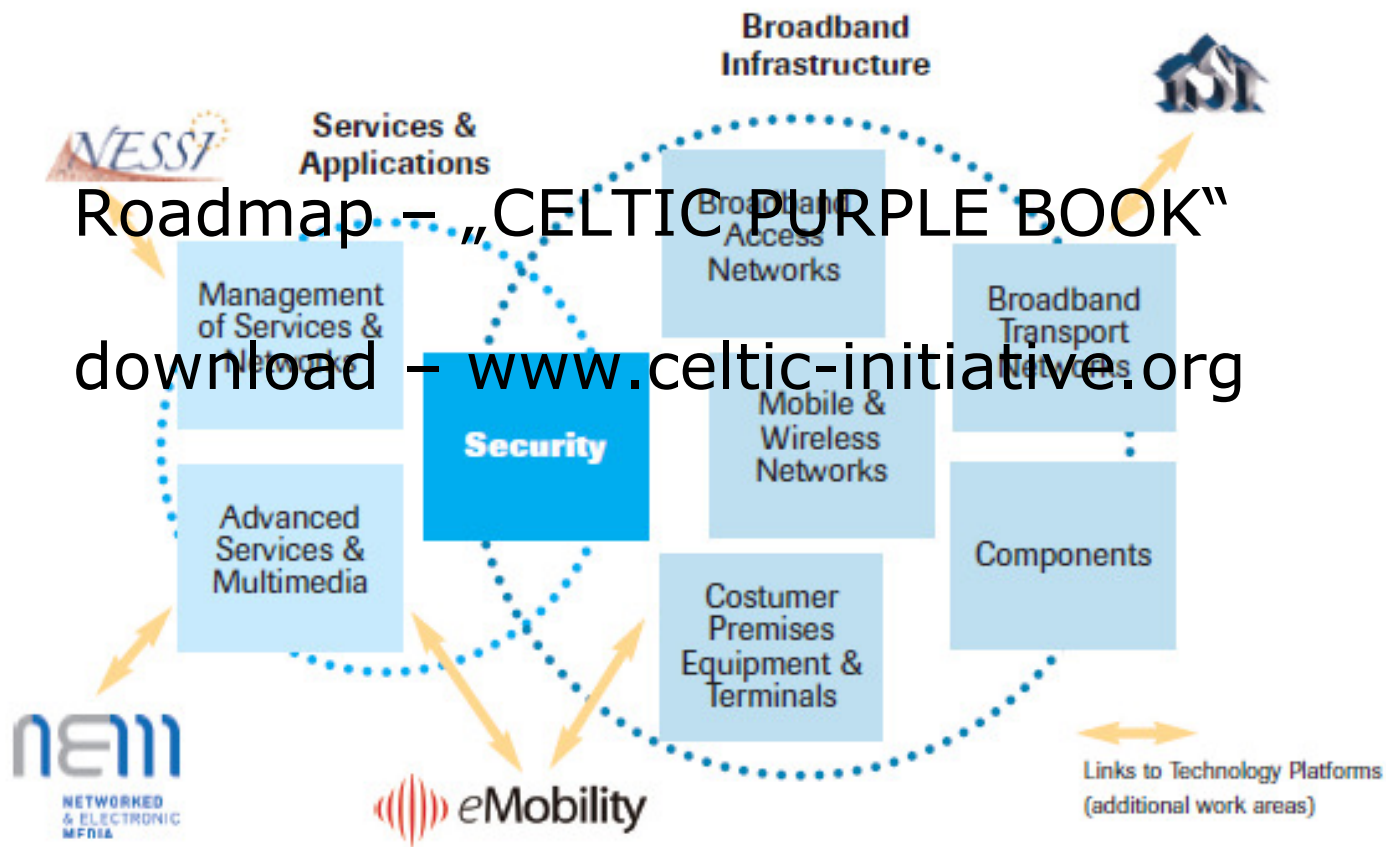

CELTIC

- EUREKA Cluster dedicated to telecommunication
- Industry driven
- Market oriented research – with strong focus on exploitation
- Bottom-up – focus on companies' needs
- Flexible
- National funding

RESEARCH OBJECTIVES

Roadmap – „CELTIC PURPLE BOOK“
download – www.celtic-initiative.org

Celtic work areas and links to European Technology Platforms

FFG

SOFT PROCEDURES & FLEXIBILITY

- Project outline (PO)
- Full project proposal (FPP),
- Label,
- Funding
- Start
- Change Request

Facts Call 6

- 22 PO
- 15 FPP
- Total project costs 121 M €

PARTICIPANTS IN CELTIC

HOW TO GET INVOLVED?

- Austrian Information Day
December 2009 FFG
- Celtic Symposium
12 – 13th April 2010, Valencia
 - 200 – 300 Participants
 - Exhibition
 - Presentation of project ideas
- Website: www.celtic-initiative.org
Project & Partner Search
- Offices:
 - FFG – EUREKA Office
 - CELTIC Office

Proposals / Projects looking for a partner to join

If you are looking for a partner to join a proposal/project, please fill in the [contact form](#) published at this web page within the next days.

For the time being the following project/proposals are looking for additional partners:

[Car to X Cross Platform Communication](#)

[HuSIMS - Human Situation Monitoring Systems](#)

[Converged Broadband Services over Future Cellular Networks](#)

[GameWear](#)

[XSPEED](#)
