

Corrigenda

Errors have been detected in the Guide for Applicants for the call FP7-People-ITN-2008 which was published on 4 April 2008:

p. 1

1. Getting started

The sentence: "**invitation to submit second-stage proposal, where applicable**" should be omitted in Figure on page 1 since the ITN proposals are submitted in a single stage.

p. 32

4.2. Final checks before submission

- Do you have the agreement of each partner in the project to submit this proposal on their behalf – including evidence of the commitment of any industrial **associated** partners where applicable (please refer to section 2.2.6 of this guide)?

p. 50

Section A4 – Requested Fellows (ITN):

The following text should be omitted:

Fellow/Person months	In the first stage of submitting an ITN proposal only the overall number of fellow/person months for the project should be indicated in the line of the coordinator. Only if the proposal is selected for the second stage will it be necessary to provide the full breakdown.
-----------------------------	---

The text should be:

Fellow/Person months	Please provide the full breakdown of fellow/ person months for each full network partner.
-----------------------------	---

The following text should be omitted:

<p>Number of researcher days for researchers from outside the network</p>	<p>Please indicate the expected total number of days spent by researchers from outside the network on participating in training events. A separate budget category is dedicated to these actions – please refer to column F of Table 4 in the Work programme.</p> <p>In the first stage of submitting an ITN proposal only the overall number of researcher days should be indicated in the line of the coordinator. Only if the proposal is selected for the second stage will it be necessary to provide the full breakdown.</p>
