The screenshot shows the top section of the Ideal-ist website. The header is dark blue with the Ideal-ist logo (a globe with a person) and the text 'Ideal-ist Your Worldwide ICT Support Network www.ideal-ist.eu'. It also displays the date 'Tue. 11/09/2012' and links for 'User's Login' and 'Register'. Below the header is a navigation menu with items: Home, About us, Partner Search, Events & News, ICT in FP7, Representatives, Press, National DB, and Opportunity finder. The main content area features a large image of business professionals in a meeting. Overlaid on this image are four call-to-action buttons: 'View Partner Searches', 'Launch a New Partner Search', 'Find Services in your Country', and 'Find your Representative'. To the right of the image is a text box explaining that Ideal-ist addresses ICT companies and research organizations worldwide wishing to find project partners for participation in the Seventh Framework Programme (FP7) of the European Commission (2007-2013). It offers a unique and quality-labelled Partner Search and other services helping to ease participation in FP7. A link 'About ideal-ist' is provided.

## Welcome to ICTprofiles Austria

ICTprofiles is a free online service, tailor-made to help you to find Austrian partners for your ICT research and development projects - either in the context of EU-funded Research and Development projects (7th EU Framework Programme, Ambient Assisted Living Joint Programme) or within a broader search for technology-orientated partnerships (Joint Technology Initiatives).

All profile entries on ICTprofiles Austria are quality-checked by the Austrian ICT National Contact Point (NCP). The service includes details of more than hundred Austrian ICT companies, research and development organisations, ICT users and end users.

A screenshot of the CORDIS Partners Service website. The page has a blue header with the European Commission logo and the text 'Europäische Kommission CORDIS Dienst "Partner"'. Below the header is a navigation menu with links like 'Home', 'News', 'Funding', 'Results', 'Themes', 'Go local', and 'Look it up'. The main content area is titled 'Partners Service' and features a search bar with the text 'Suchen'. On the left, there is a section titled 'Looking for research partners?' with a list of statistics: 3727 Partners profiles, 9 Open FP7 Calls for Proposals, 154 Partnership requests (including 34 Proposing project and 120 Offering collaboration), and 35 Groups. On the right, there is a login form titled 'Anmelden' with fields for 'Login-Name:' and 'Passwort:', and buttons for 'Anmelden', 'Passwort vergessen', and 'Konto erstellen'. The footer contains links for 'Top', 'Sitemap', 'A-Z Index', 'Glossary', 'FAQ', 'Help Desk', and '©', along with the text 'CORDIS is managed by the Publications Office'.

### Networking for European ICT Research & Development

The ICT Proposers' Day is a unique networking opportunity to build quality partnerships for participating in the new Information and Communication Technologies Work Programme for 2013. Building on the success of the previous ICT Proposers' Days, the event will provide:

- first-hand information from European Commission officials on the new ICT Work Programme 2013, offering around 1.5 billion euro of EU funding
- answers to questions related to the upcoming calls for proposals
- an opportunity to present and discuss your project idea during one of the networking sessions
- a platform for exchanging ideas and finding right partners to form project consortia
- guidance on how to present a successful proposal

ICT Proposers' Day 2012
