

A successful EoI

- Carefully address all requests given in the call
- Read guide for evaluators!
- Show that there is a balance in your consortium
- Address your proposed budget distribution
- Give some deliverables for the WPs

Round 2

- Answer to all questions raised by the evaluators
 - Although EFPIA requests might have changed, you need to stay in the spirit of the EoI
 - Carefully check financial rules (subcontracting, VAT,)
