

## Agenda

### **RUSERA EXE Training course in Vienna Opportunities and challenges for EU-Russian RTD cooperation**

**Date:** 30 January - 1 February 2008

**Place:** Austrian Research Promotion Agency (FFG), European and International Programmes  
Sensengasse 1  
A-1010 Vienna, AUSTRIA

#### **30 January 2008**

**Moderation:** Petra REITER, Ralf KÖNIG

**08:00 Registration and Welcome Coffee**

**09:00 Welcome and Opening**

Sabine HERLITSCHKA, Director of European and International Programmes, FFG

**09:15 Morning session 1: The main framework for EU-Russian cooperation in S&T: FP7**

- **Opportunities for EU-Russian cooperation in FP7**  
Ralf KÖNIG, FFG/Austrian Research Promotion Agency
- **FP7 update, lessons learned from the 1st calls**  
Maria SAMARA, EKT/ National Documentation Center, Hellenic NCP for FP7
- **New 2008 calls: Opportunities for EU-Russian cooperation**  
Ralf KÖNIG, FFG/Austrian Research Promotion Agency

**10:30 Coffee break**

**11:00 Morning session 2: Legal and financial issues in FP7**

- **Rules of participation and financial issues: The most important rules and principles to be considered for a smooth cooperation**  
Maria SAMARA, EKT
- **Planning of costs in FP7**  
Martin BAUMGARTNER, FFG/Austrian Research Promotion Agency
- **Experiences with cost planning and reporting. A view from Russia**  
Alexey IVANOV, State Electrotechnical University of St. Petersburg
- **Audits in FP6 and FP7. Experiences and suggestions of an auditor**  
Cornelia WIDERMANN, KPMG, Austria

RUSERA EXE is funded from FP6/INCO. The project is coordinated by AEER/Association for Engineering Education of Russia. EKT/National Contact Point for FP7, Greece, and FFG/Austrian Research Promotion Agency, Vienna, are the partners.

**13:00 Lunch Break**

**14:00 Afternoon session 1: The Consortium Agreement**

- **The Consortium Agreement and IPR issues in FP7.**  
Martin BAUMGARTNER, FFG/Austrian Research Promotion Agency

**15:00 Coffee Break**

**15:30 Afternoon session 2:**

- **Do's and don't's for a successful participation in FP7**  
Uschi BODISCH, FFG/Austrian Research Promotion Agency

**16:30 End of working day**

### **31 January 2008**

**Moderation:** Ralf KÖNIG, Petra REITER

**09:00 Morning session 1: The context of the seminar**

- **The state-of-the art of EU-Russian RTD cooperation: Analytical results of the SCOPE EAST project**  
Anja KÖHLER, German Aerospace Center, Bonn
- **RTD carried out in non-central Russian regions: Opportunities and challenges for cooperation in FP7**  
Round table moderated by Olga MAZURINA, Association for Engineering Education of Russia, Tomsk Polytechnical University, Russia

**10:30 Coffee break**

**11:00 Morning Session 2: Particular aspects of EU-Russian RTD cooperation**

- **Results of the RUSERA EXE survey on EU-Russian RTD cooperation in FP6 (and other funding programmes)**  
Petra REITER, FFG/Austrian Research Promotion Agency
- **Intercultural aspects of EU-Russian cooperation**  
Christel KUMBRUCK, University of Kassel, Germany

**13:00 Lunch break**

**14:00 Afternoon session 1: Experiences and success stories of EU-Russian RTD contact establishment and cooperation in FP6**

- Ann Katherine ISAACS, University of Pisa, coordinator of the FP6/NoE "ClioHres"
- Juha KAEMAERI, Finnish Environmental Institute, coordinator the FP6/IP "Scenes"
- André BERAUD, Lyon, Ecole des Ingénieurs, representing the coordinator of the FP6 NoE « Prometea »
- Dimitrios MAVRAKIS, National and Kapodistrian University of Athens (NKUA) - Director of Energy Policy and Development Centre (KEPA), Coordinator of FP6/SSA "PROMITHEAS-2, the EU-BSEC Energy and Climate Policy Network"

**15:30 Coffee break**

**16:00 Afternoon session 2: Experiences and success stories of EU-Russian RTD contact establishment and cooperation**

- **Some comments on EU-Russian RTD cooperation in FP7**  
Veronika KUPRIYANOVA-ASHINA, Delegation of the EC in Russia
- **Opportunities and challenges of EU-Russian scientific co-operation: lessons learned from INTAS**  
Yuri MELNIKOV, INTAS Office, Brussels
- **Helmholtz and Russia**  
Bertram HEINZE, Helmholtz-Association, German-Russian House Moscow
- **Experiences of a former cultural advisor and Attaché for Franco-Russian cooperation in Education and RTD at the French Embassy in Moscow (2000-2004)**  
Michel ZIGONE, Professeur de Physique, chargé des Missions « Europe », Université Joseph-Fourier de Grenoble, France

Ongoing exchange of experiences and discussion

**17:30 End of working day**

**1 February 2008**

**Moderation:** Sabine HERLITSCHKA, Petra REITER

**09:00 Morning session 1: The Institutional Framework for EU-Russian RTD Cooperation**

- **Publishing jointly with Russian colleagues. Experiences in the field of Nanostructured Materials**  
Michael ZEHETBAUER, University of Vienna, Faculty of Physics, Research Physics of Nanostructured Materials
- **The institutional, legal and financial environment for Russian researchers (RAS, Universities) – opportunities and challenges for EU-Russian cooperation in FP7**  
Vladimir ERYOMIN, FP7-NCP for Food, Agriculture and Biotechnology, A.N. Bakh Institute of Biochemistry, RAS, Russian Federation
- **Improving the Framework for International Co-operation between Russia and the EU**  
André SCHLOCHTERMEIER, German NCP-coordinator and Director of the EU-Bureau, German Federal Ministry of Education and Research (BMBF)

**10:30 Coffee break**

## 11:00 Morning session 2: Institutional Support to International Cooperation

- **Institutional support to international cooperation: European experiences and good practise**
  - Annette SCHMIDT & Silke RATTEI, Helmholtz Zentrum für Umweltforschung Leipzig, Büro für Internationale Kooperation
  - Maria VUORINEN, Technical Coordinator, EU Projects Finnish Environment Institute (SYKE) / Research Department
  - Siegfried HUEMER, Vienna University of Technology, EU-Research Management Unit
- **International Cooperation Offices in Russia (Universities, RAS) - Present Status, Current Challenges and Future Strategies**
  - Helene KAMENSKY, Programme Director, Salzburg Global Seminar

Discussion and comparison between European and Russian experiences

## 13:00 Lunch break

## 14:00 Afternoon session: The new Russian RTD Funding Programme

- **The new Russian Federal Targeted Programme for Research and Development in Priority Fields for the Development of Russia's S&T complex for 2007 – 2012**  
Richard BURGER, Science & Technology Counsellor, Delegation of the EC in Russia

## 15:15 Round table:

### EU-Russia RTD cooperation: Mature partnerships for mutual benefit. Capacity building among Russian regional FP7-multippliers

- Richard BURGER, S&T Counsellor, Delegation of the EC in Russia
- Vladimir ERYOMIN, FP7-NCP for Food, Agriculture and Biotechnology, A.N. Bakh Institute of Biochemistry, RAS, Russian Federation
- Sabine HERLITSCHKA, Director of European and International Programmes of FFG, Austria
- Yuri POKHOLKOV, President of the Association for Engineering Education of Russia, Rector of Tomsk Polytechnic University, Russian Federation
- André SCHLOCHTERMEIER, EU-Bureau, German Federal Ministry of Education and Research (BMWF), Germany
- Michel ZIGONE, Université Joseph-Fourier de Grenoble, France

**Moderation:** Petra REITER, FFG/Austrian Research Promotion Agency

## 16:30 Closing words by Sabine HERLITSCHKA, Director of European and International Programmes of FFG, Austria

## Russian buffet

RUSERA EXE is funded from FP6/INCO. The project is coordinated by AEER/Association for Engineering Education of Russia. EKT/National Contact Point for FP7, Greece, and FFG/Austrian Research Promotion Agency, Vienna, are the partners.
